

## **System Requirements and Slide Control Functions for the Baldrige in Education Web Portal**

- Recommended: Internet Explorer 7 (or newer), Mozilla Firefox 3.5 (or newer), or Safari 3.0 (or newer) web browsers. The portal will function properly in all other browsers, however performance is not guaranteed
- Adobe Flash Player 8.0 (or newer)
- A Media Player is required to view videos on YouTube from the Resource Page
- Broadband or High-Speed Internet Connection (i.e. DSL, Cable, T1, etc.)
- Computer Screen resolution minimum of 1024 X 768
- Audio speakers are required to listen to the curriculum and videos
- Adobe Reader is required to open PDF articles from the Resource Page
- The web portal will function properly on both Windows and Macintosh platforms, although it has not been tested on the Linux platform.
- Your account on the web portal can be accessed from any computer with a broadband or high-speed internet connection with your username and password.
